Palm Desert, CA – Keri Jackson of Wilson Johnson Commercial Real Estate and Andrew Weigel of Realty Executives would like to announce the Grand Opening of Dinners Done Right at 72-210 Highway 111 Suite B-3 on Thursday January 18th.

At Dinners Done Right, you choose a time to come to their kitchen where you will assemble **12** meals in two short hours. You are welcome to choose any combination of the meals from their monthly menu selections. While you enjoy your session by yourself, with a friend, or in a group, you can relax with hot cider, warm atmosphere, and the simplicity of cooking like the chefs on television, with each ingredient prepped and ready at your fingertips.
